To Whom It May Concern:

Please accept this letter as my highest recommendation of the construction firm, Arrow Construction. I had the opportunity to work with Arrow Construction on a new office building, yard and inspection building, valuing their work over \$2,850,000 as a general contractor. The firm built three buildings on a 12-acre site with a limestone base, two of them are 5,000 sq. ft. office buildings and one is a 5,000 sq. ft. inspection building. Arrow Construction performed all of the civil work on site, including storm and a detention pond.

Their professionalism and commitment to quality was well demonstrated. We were very pleased with their performance and would not hesitate to consider them for future work.

If you need further information, please contact me at 281-436-2426.

Sincerely,

Ronnie Daigle
