Dear Zach:

It's because of people like you that a very worthwhile cause, Habitat for Humanity, is able to support people in need. I cannot tell you how proud it makes me to know that you are part of the SLI Team! When we asked if you would be willing to help Habitat by remodeling their Conroe office, you never hesitated – you just said “you can count on me!” . . . and because of you, Habitat's offices were successfully remodeled!

This project was very difficult because it started out hot and it stayed hot – 100 degrees plus every day! Working in the sun to remove a non-compliant handicap ramp, form the new ramp and then pour and detail the concrete . . . it was an amazing effort and the end result was great . . . truly a work of art that you can sign your name to and be proud you did the work!

On behalf of all of us at SLI and Habitat for Humanity, I want to thank you for your help with the Habitat for Humanity office remodel. Without you this project could not have been done!

Best Regards,

S. L. I. Group, Inc.
